

The **halow project** is dedicated to creating opportunities and supporting young people aged 16-35 with a learning disability so that they are able to live independent, meaningful lives and become more involved in their local community.

Job Role: Year Leader- Building Futures programme -

Hours: Full time, 40 hours per week

(can include occasional evening and weekend delivery, although mostly 9.00am-5.30pm each day)

Hourly Rate: £24,500 per annum

Location: Guildford, Surrey

We are a young, vibrant, growing organisation passionate that the people we support have the right to expect the same life experiences and chances as any other young person and we are committed to making this a reality.

We are seeking an energetic Year Leader to lead a year group of our flagship learning programme- **halow's** 'Building Futures'. This is a full-time community-based learning programme that nurtures the independence, enriches the lives, continues the education, and builds the futures of our young people.

This well-established further learning and life skills programme for young people with a learning disability of 18 to 25 years old develops leadership, teamwork and a range of life skills to prepare them for a more independent adult life. With a varied and exciting programme, including opportunities to explore meaningful work, independence in the community, outdoor learning and emotional and personal development; this well-respected programme has excellent outcomes.

Building Futures runs for 4 or 3 days per week across 3 year groups and aims to engage young people in self development focusing on the areas of socialising (communication, friendships and relationships); recognising talents and skills and areas for learning; employability skills (such as team work, leadership and communication); independent living skills and making a contribution to the community. The Year Leader role is responsible for planning, delivery and administration of the programme for their year group. The programme is highly person centred so the Year Leader will provide support and care to members of the group, recognising their individuality and independence. The Year Leader will also contribute to the development of the Building Futures programme as part of the team, working with the Building Futures Manager.

halow's Building Futures is known for its excellent outcomes for young people; your role will be instrumental in supporting young people's personal growth towards adulthood, navigating these transition years and helping to identify their personal goals, supporting them on their journey towards an independent adult life.

The Year Leader will help deliver, evaluate and report on the programme, contributing to development of the programme and working closely with young people, other staff and volunteers to ensure **halow's** Building Futures maintains its excellent reputation with young people, families and practitioners alike.

Closing date for applications: Friday 5th July 2019 at 5pm
